Shain Khoshbin named to *Super Lawyers* three consecutive years

Dallas, Texas: Business/commercial litigator and trial attorney [Shain Khoshbin](#) has been named to 2009 *Texas Super Lawyers* for the third straight year by Minneapolis-based Law & Politics publishing.

Each year, only 5 percent of the lawyers in the state receive this honor.

"We take great pride in CDK's business litigation practice, and are proud of Shain's accomplishments. His persistence, integrity and zealous advocacy reflect the firm's underlying principles and commitment to excellence. This recognition is well-deserved given Shain's skills in the courtroom and his knowledge of the law," says Keith Clouse of Clouse Dunn Khoshbin LLP.

Mr. Khoshbin was also listed in 2007, 2008, 2009 *Super Lawyers Corporate Counsel Edition*, which recognized top business litigators from across the country.

Super Lawyers recognizes outstanding attorneys in more than 70 areas of practice using a rigorous, [multiphase selection process](#) that includes peer nominations, evaluation of attorneys based on 12 separate indicators of professional achievement and peer recognition, evaluation by other lawyers within one's practice area and a final discipline check to verify that the attorney meets the highest ethical standards.

"In our selection methodology, we look for evidence that the lawyer is held in high regard by his or her peers," says Bill White, publisher of *Super Lawyers* and *Law & Politics* magazines. "One of the ways we do this is through our blue ribbon review process where lawyers are evaluated by a panel of top practitioners within their primary area of practice. The panel for business litigation gave Shain Khoshbin

consistently high marks."

"The fact that Shain, Rogge and I have been privileged enough to receive this honor is a testament to CDK's dedication to its clients, and our commitment to practice law the right way," says Mr. Clouse.

Since law school, Mr. Khoshbin has devoted 100% of his practice to litigation, and handled cases across the country -- representing both claimants and defendants. Going hand-in-hand with his successes as a business litigator, Mr. Khoshbin has given back to the legal community -- including his participation and selection as the lead defense trial attorney in the "Historical Trials" at the 2007, 2008 and 2009 American Bar Association Annual Meetings.

Mr. Khoshbin is licensed to practice law in Texas and Illinois, as well as the United States Supreme Court, the Fifth Circuit Court of Appeals, the United States District Courts for the Northern District of New York, Northern District of Illinois, and Northern, Southern, Eastern and Western Districts of Texas.

The list of attorneys selected to *Texas Super Lawyers* appears in the October issue of *Texas Monthly* in a special advertising section and in *Texas Super Lawyers* magazine, which is sent to lawyers across the state.

Founded in 1990, Law & Politics has been publishing annual *Super Lawyers* lists since 1991. *Super Lawyers* is published in 50 states and the District of Columbia by Law & Politics, a division of Key Professional Media Inc., owned by Vance Opperman, the former president of West Publishing.
